## Funders for Mole Valley

### Thomas Flack Trust Fund

Mole Valley District Council is the trustee for the Thomas Flack Trust Fund, which was set up to offer funding for the general benefit of residents in Leatherhead, Ashtead, Bookham and Fetcham.

Generally, funding is available for:

- Capital projects that will provide permanent facilities for local people
- Initial revenue contributions to assist the start-up of new initiatives provided arrangements are in place for funding in future years which does not rely on Grant Aid from the Trust
- There is no restriction on the amount you can apply for, however grants are not generally awarded over the value of £25,000

The Council will not normally provide grant support to organisations with **unencumbered** reserves exceeding 50% of annual running costs but no grant will be refused solely on the basis of the size of an organisation's reserves without reference to the appropriate Committee.

Preference will be given to applicants that can demonstrate they have community support and work collaboratively with other agencies, organisations and individuals.

You can download the Thomas Flack Grant funding application from the MVDC website

Application packs are also available from the MVDC's offices in Pippbrook, Dorking and the HelpShop in Leatherhead.
