festival

SURREY
5-10 SEPT 09

The British Science Festival, Europe's foremost celebration of science, engineering and technology is jam packed with science goodness and offers something for everyone - from workshops, to talks and discussions, to performances, hands-on activities and excursions, you are sure to find something you like.

Covering a range of diverse and challenging issues, the British Science Festival brings you into close encounters with science. From climate change and its impact on the environment, to traffic jams and water bans. Plus discover Surrey's history and heritage, its hi-tech present and future and find out how science can help us survive the credit crunch.

This is just the tip of the iceberg....

The British Science Festival brings you the best in scientists and science communicators from around the UK; become engaged in debates, voice your thoughts in discussions on the hottest topics and find the answers to those questions you have never thought of asking.

IMAGINE WHAT SCIENCE CAN DO FOR YOU!

**BE PREPARED TO BE INTRIGUED,
EXCITED AND AMAZED**
